

Rocket Espresso Fausto Coffee Grinder

The Fausto coffee grinder by Rocket Espresso is the impeccable companion for your espresso machine.

Easily adjustable with digital programmable controls and two automatic portion controls available, the Fausto provides an immediate response to any change in dose setting and micrometric grind adjustments. A clean on-demand grinder delivering coffee directly into the filter basket, the Fausto can be paused mid-dose allowing the user to maintain an even distribution within the basket as they grind.

The Fausto will professionally complete your espresso work station. Offering a powerful 500 watt motor and 65mm flat burr blades, The Fausto grinder makes the process of grinding to flavoursome espresso a Rocket Espresso Milano affair!
